N.B.: only in versions 2x18: 873/5/7 Comfort in EM, EL, use acc. 898 (cod. 998025).

NOTE: In versions art. 827/828, recessed mounting brackets are welded on: this permits IP54 protection rating.

CAUTION:

All recessed ceiling fixtures are **supplied without mounting brackets** so that they may be **CONTACT MOUNTED DIRECTLY ONTO THE CEILING SUPPORT STRUCTURE**

If they are not contact mounted, therefore, the brackets must be ordered.

N.B.: Brackets for versions 831 should always be ordered separately.
